2017-2018 Early Childhood Honor Rolls

As part of the 2017-2018 Performance Profile release, the Department will recognize nearly 300 sites across 46 networks for both quality and improvement.

Honor Rolls recognize excellence and improvement in a public, positive way for all program types statewide.

There are three Early Childhood 2017-2018 Honor Rolls:

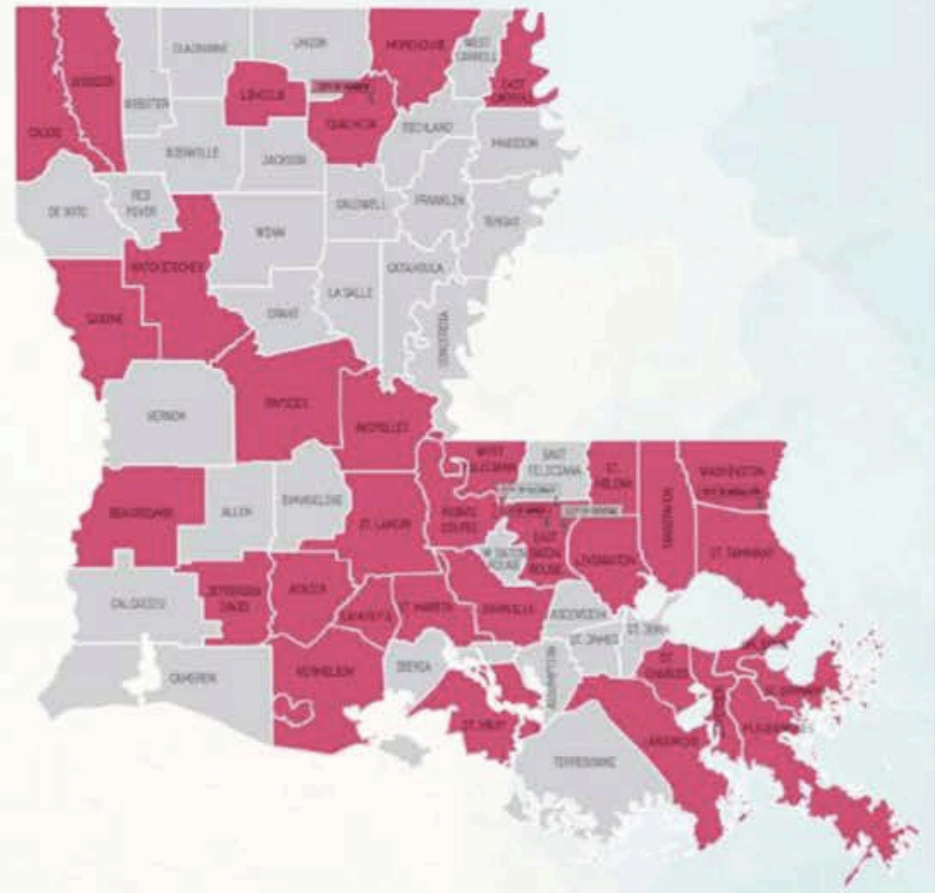

1. **Excellence:** Recognizes all Excellent sites with no unsatisfactory scores at any domain
2. **Birth to Three:** Recognizes sites with high performance for the state's youngest learners
3. **Top Gains:** Recognizes sites with more than 1 point of growth

These models of quality and growth will:

- Be recognized on the Honor Rolls published on the Louisiana Believes and Louisiana School and Center Finder websites;
- Receive an icon that can be used on banners, websites, or other communications with families; and
- Receive a certificate from the Department that recognizes their accomplishment.
